Theres a school we all shall cherish,
In a land so fair;
All our sons·and daughters loyal,
Shouting everywhere.
Sing her praises and be gay
While we gather here.

Bus Drivers

The safety of the children of our land is of primary importance for the happiness and progression of our homes and country. The boys are responsible for the lives of our children twice every day school is in session. With gratefulness and pride we point to the splendid record of our bus drivers and our bus drivers.
